SECTION TWO: These comments are intended for your instructor.

What did you like best about the instructor's teaching?

Explain the idea of materials

What suggestions do you have to help improve the instructor's effectiveness?

Many assignment questions require students to do research on internet. Since materials on internet may not explain idea clearly, teacher can provide some links or helpful materials.

Besides, many technique materials don't explain very well. I often misunderstood the idea by just reading the documents. Some examples showing the idea is very welcomed.
