Open-ended feedback

What did you like best about the instructor's teaching?

Comments

Extremely well organized, clear instruction, incredibly helpful. Ed is one of the best teachers I've had, he is extremely approachable, knowledgeable and well organized. His teaching style sets up people of all learning types to succeed. Can't say enough positive things. He also provides extra time if needed for all tests which is so helpful being that I am generally slower than some class mates.
