<b>Cluster average</b>	<b>68%</b>	<b>19%</b>	<b>11%</b>	<b>2%</b>	<b>2%</b>		<b>3.5</b>	<b>4.0</b>	

# Student Opinion of Instructional Quality Survey

**SECTION TWO:** These comments are intended for your instructor.

What did you like best about the instructor's teaching?

For someone not taking LAN concurrently  
I had a hard time keeping up in the  
Ethernet, IP and topics that followed. That being  
said I learned a lot in this course and you  
are an enthusiastic, and helpful teacher

What suggestions do you have to help improve the instructor's effectiveness?

Additional questions as supplied by the instructor:

## SECTION TWO: These comments are intended for your instructor.

What did you like best about the instructor's teaching?

he was always willing to help

What suggestions do you have to help improve the instructor's effectiveness?

To be able to explain subject matter in an understandable way.

Additional questions as supplied by the instructor:

- on-line submission tends to be a formatting pain in the ass
- Actual textbook could have helped explain material
- better in class exercises (not all doodles on the board)

What suggestions do you have to help improve the instructor's effectiveness?

Instructor is too nice. Should be a bit more strict when it comes to deadlines and markings.

Although this benefits me, it doesn't make students more responsible.

**SECTION TWO:** These comments are intended for your instructor.

What did you like best about the instructor's teaching?

I liked the D2L website. It made it a lot easier to find all the notes and other material I was looking for.

I found that the assignments helped me learn the topics.

What suggestions do you have to help improve the instructor's effectiveness?

Additional questions as supplied by the instructor:

# Student Opinion of Instructional Quality Survey

## SECTION TWO: These comments are intended for your instructor.

What did you like best about the instructor's teaching?

His openness for questions. The online submission, notes and desire to learn.

# of assignments were good  
liked the exercises of each topic

Labs were great maybe a bit more with actual equipment in the racks

What suggestions do you have to help improve the instructor's effectiveness?

I find his language a bit too technical when explaining some topics

Need more interaction, be it animations videos or more real life example to help understand how everything works

SECTION TWO: These comments are intended for your instructor.

What did you like best about the instructor's teaching?

Ed was enthusiastic and understanding, enjoyable to be in his class,

What suggestions do you have to help improve the instructor's effectiveness?

Additional questions as supplied by the instructor:

- The online submission worked fine for me made managing required tasks easier
- The lecture notes were good no need for a text book.
- Assignments were good couple more wouldn't hurt.
- The labs were nice but could be a little confusing.

# Student Opinion of Instructional Quality Survey

SECTION TWO: These comments are intended for your instructor.

What did you like best about the instructor's teaching?

Ed knows the material incredible well,  
This course is quite detailed and complex  
having to Edw there cal was very reassuring

What suggestions do you have to help improve the instructor's effectiveness?

Maybe slow down the lectures a bit,  
the material is very complicated at times  
so rushing can causes extra confusion.

Additional questions as supplied by the instructor:

- online submission was very useful!
- lecture notes preferred
- assignments were very tricky but I think they were useful
- labs could be explained better sometimes
- I think topics were covered fairly
- in-class exercises were helpful
- lectures online were also helpful
