## SECTION TWO: These comments are intended for your instructor.

What did you like best about the instructor's teaching?

Really took the time to explain every concept in detail and also went into detail about example questions.

Labs were very good and added a lot of understanding to what was going on in class.

What suggestions do you have to help improve the instructor's effectiveness?

While he knows a lot about telecom - sometimes he gets a bit distracted and talks about other things not always related.

While this is not a bad thing it tends ~~to take~~ ~~up~~ be a bit distracting every now and again.

Additional questions as supplied by the instructor:

The course website takes a bit of getting used to submission wise but since he is lenient about the way things are submitted it makes up for it.
