Comments
For a 4 week term there should be no final at all. Especially after having a full 15 week term beforehand. Also I find the way Ed tries to catch any sort of cheaters to be comical with all the steps he takes to watch us. Also his rule of only asking a question about the exam question, is ridiculous. There is no point then in asking him anything during the exam since if he evens thinks your question is not about his exam question, he shuts you down and says he can not answer your question.
Well-organized.
